Dear Friends and Fellow Motorcycling Enthusiasts in the FIM Family,

We take pride and joy in announcing the **2011 FIM Asia Thailand-Laos Touring** event, the first-ever official cross country motorcycle touring event to be staged under the auspices of **FIM Asia, the Continental Union and Asian body of the FIM.**

The activity is being organized by the **Federation of Motor Sports Clubs of Thailand (FMSCT)** a bonafide member of good standing of the FIM Asia.

The event scheduled on **October 27-31, 2011** will traverse roads and highways offering picture-perfect scenery that depict the beauty and majesty of Thailand and Laos.

If you are a motorcycling enthusiast who is not tied up with work or similar pressing concerns on those dates, then do consider joining the tour for it might be an experience that you will forever cherish.

Further, the cost of joining the tour is easy on the pocket. For USD250, you will have the chance to enjoy the warm hospitality of the Thais and the Laotians and do what you love doing best in the company of those who share your passion.

Yours in motorcycling,
